Message from the Committee

Welcome to the 2nd newsletter of the St. Peter's NS, Dungourney Parents Association. We hope everyone is keeping well and looking forward to a nice Summer ahead!

2021 brought strange times for us all and we weren't able to do everything we had hoped to do. However, with a lot of activities planned for the end of term, we are hoping to be able to support the school financially to ensure the kids have a lot of fun before their school holidays.

The Parents Association has traditionally sought financial support from parents by way of a €60 annual voluntary contribution per family. This was waived this year due to the Covid-19 restrictions and school closures.

To help fund the end of year activities, which include a Nature Week, Creativity Week and a Sports Week, we are looking for a donation of €10 per child. This can be paid through Aladdin.

The committee of the Parents Association would like to thank you all for your ongoing support and we also wish to thank Mr. McCarthy and his staff for all their help this year.

We look forward to returning to a hopefully more "normal" school term in September and we hope to see some new faces join us in the Parents Association! Wishing you a happy, healthy and sunny Summer!
